

de-FENCE-ible space

As our society becomes more unequal and communities succumb to the stresses of neoliberal capitalism we need fences to keep us safe — but we are only treating the symptoms, not the underlying social problems

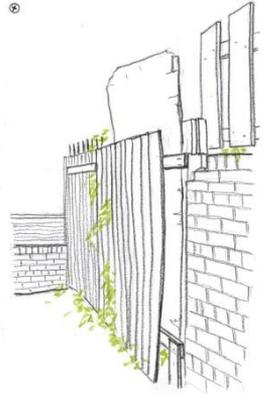

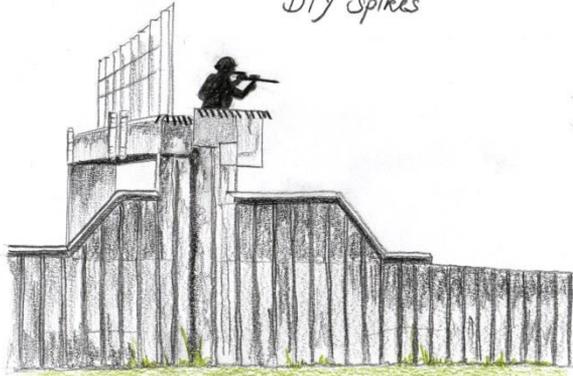

Please come in and shop

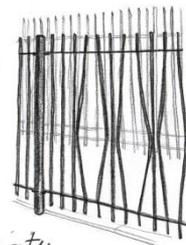

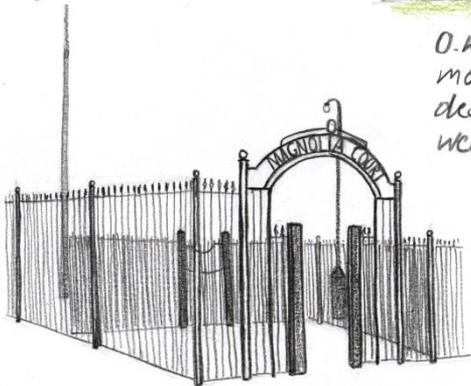

DIY spikes

Rose between two thorns

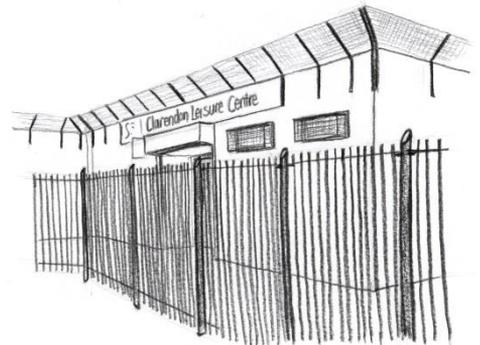

OK it's a sound barrier for the motorway, but would it be designed like this in a wealthy area?

Double security

Upgraded houses with upgraded garden walls

*Inclusion and exclusion -
two sides of the same coin
(or fence)*

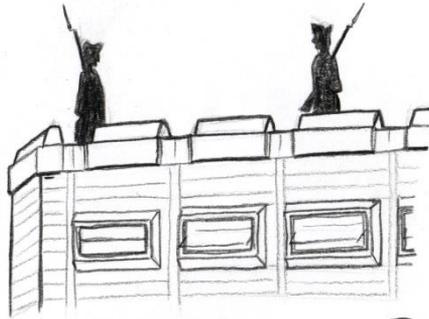

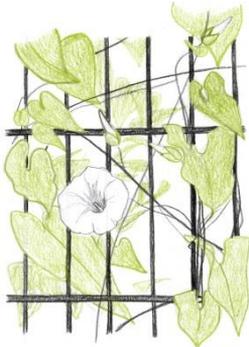

*This gate protects a
community garden*

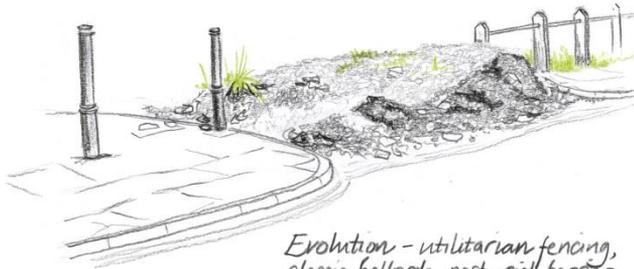

*A community garden
- inside a high wall*

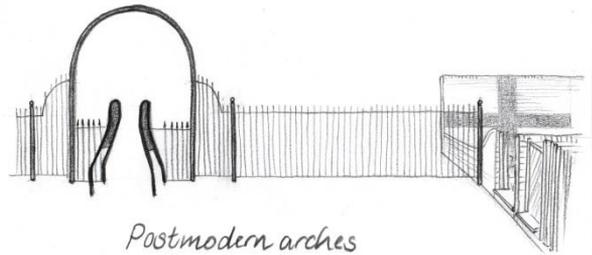

*Sealed playground
with ghost swings*

*There's something about the
architecture - shopping centre
or castle?*

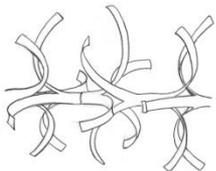

*Evolution - utilitarian fencing,
classic bollards, post-riot barrier*

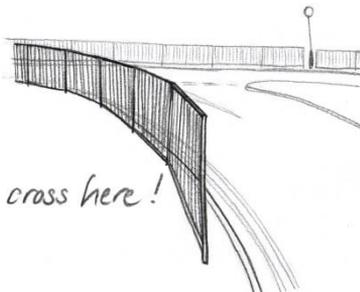

*Postmodern arches
and patriotism*

Thou shalt not ...

Don't climb this wall

Don't cross here!

Don't drive here!
